Revision of the rules for the election of District representatives to the Legislative Council.

51

Reference is invited to my Final Note of the 10th September last regarding the enlargement of the Legislative Council, providing among other things, for the election of a representative from each District instead of a group of two Districts. This reform has been graciously approved by His Highness and it was also announced by the Dewan in his Address to the Representative Assembly at the last Dasara Session. The existing rules for the election of members by the District Groups have therefore to be revised and brought into effect immediately, as the term of the present Legislative Council has expired and a fresh Council has to be constituted in its place.

2.4 To return members from the four groups of Districts, the electorate at present consists of the electorate for the Representative Assembly, the Taluk Boards, the Municipalities, the District Boards and the Sanitary Board, Kolar Gold Fields; and under the existing rules the individual votes of the non-official members of the District Boards, the Sanitary Board Kolar Gold Fields, and of the City Municipal Councils of Bangalore and Mysore count, while the other bodies are each entitled only to a collective vote. This arrangement has not given satisfaction to the people principally upon the ground of the difference of treatment accorded to voters possessing the same qualifications and undue importance attached to the votes of the City Municipalities and Kolar Gold Fields when the interests to be represented are the general interests of the District. A desire has also been expressed in favour of direct voting instead of through the local bodies, as tending towards

Revised rules for the election of members to the Legislative Council from Districts were published in Notification No.G.10943-Legis. 4-19-4 dated 15th November 1919.

67. Rule 8 (a) of the rules requires that the elections should be conducted by the Deputy Commissioner or an officer not below the rank of an Assistant Commissioner. But as it is found difficult to get the required number of officers of the said rank to hold the elections at all the centres on the same date, it is proposed to amend the rule as in clause (1) of the draft. It is also proposed to make slight verbal alterations as in clauses (2) and (3).

Chief Secretary to the

Sir,

I have the honour to state, that as the Rules stand for the election of members to the Legislative Council by District Groups, persons qualified to vote for the election of members to the Representative Assembly from the Talugs are also allowed to vote for the election to the Legislative Council from the District Groups

Since the Representative Assembly has

been given the exclusive previlege of elections four members to the Legislative Council it seems to me in my humble opinion to be an anomoly that persons qualified to vote for election of members from the Talugs to the Representative Assembly should again be allowed to vote for election of members to the Legislative Council by District Groups

Besides under the recent changes in the Rules regarding the qualification of voters and candidates for election from the Talugs to the Representative Assembly there will be an unwieldy body of voters whose votes after account as one vote for each Taluq to serve all this persons with notices and secure their attendance at the Taluq Headquarters will be a ~~very~~ arduous procedure.

may therefore be permitted to suggest
